

2019 CHS Homecoming: Parking and Carpool Information

Carefully read the following information concerning transportation to and from the dance.

CHS drivers: All CHS students driving to the dance must park in the Westmoreland parking lot only. Parking in both the Claycut and Hearthstone circles is reserved for chaperones, coat check volunteers, and Student Council members. No one may park on the streets surrounding our campus. The lock-in ends 10:30 p.m. Drivers will be escorted back to their cars so they can leave before the carpool line starts picking up students.

Before the Dance - Carpool Drop-Off: All parents dropping-off CHS students must use the main parking lot facing Claycut for drop-off. Follow the carpool lanes indicated on the map. *Parents may not drop-off students in the neighborhood to walk to CHS for the dance.*

After the Dance – Carpool Pick-Up: At 10:45 p.m. all students who carpooled will be escorted to the Claycut lot for pick-up. We will run two pick-up lines to help move the lines along faster. See the map within the myCHS link. Please be patient and cautious while driving through the carpool line and exiting. Our students' safety is our primary concern. We **will not** allow students to walk into the neighborhood to be picked up. This is incredibly dangerous due to the volume of traffic. Faculty chaperones will be in the Claycut lot directing cars into the carpool lanes. Please follow their directions.

Please be patient. The carpool line will be long (out to Acadian Thruway) until students begin getting into cars to leave at 10:45. The line then moves very quickly.

As a courtesy to the chaperones who must wait until the last student is picked up, please be on time to pick up your son. Many times chaperones are left waiting for student pickup for 45 minutes to an hour after the dance ends. Plan to be in line at 10:45.

Please see the three attached maps on my CHS for details about the carpool route. One map is for drop-off, one is for pick-up, and one is in case of rain.

Party buses and limousines are not allowed under any circumstances.
